

Features

- Exhale® B-Series showerhead features a transitional design inspired by nature.
- Advanced spray engine provides four spray experiences: full coverage, drenching rain, pulsating massage and silk spray.
- Full coverage spray produces an encompassing spray for everyday use and utilizes air induction to create large, full drops.
- Drenching rain delivers a soothing circular water pattern.
- Pulsating massage spray targets sore muscles to ease away aches and pains.
- Silk spray releases a dense, luxurious spray ideal for rinsing.
- Full 360-degree rotation of entire sprayface cycles through spray functions.
- Silicone sprayface is easy to clean.
- 1.75 gpm (gallons per minute) flow rate.

Installation

- Shower arm and flange (sold separately) required for wall-mount installation.
